LIGHTING METROPOLIS PRESENTS

Metropolis: *by* **LIGHT**

International Conference & Living Lab Tour 12–15 September

Greater Copenhagen is one of the world's leading regions in developing and demonstrating innovative lighting solutions through unique collaboration. With the project Lighting Metropolis we have now turned the whole region into a living lab for intelligent lighting, which will officially open this September – and you're invited.

Lighting Metropolis is a unique eco system for innovative collaboration, with some 30 demonstration projects to show for it. This conference event gives you the opportunity to explore the living lab as well as join colleagues for talks, presentations, seminars, workshops across a wide range of topics, from biological lighting – with insights from real cases on how this new knowledge can be applied in hospitals, learning environments and psychiatric clinics, to the latest research on flicker from LED and the development of flicker free luminaires, and best-practise solutions for how to use sensors and LED-technology to create interactive solutions for safer school routes, increased health – and, not least, how to evaluate the data from the sensors.

Join industry leaders, visionary cities and cutting edge researchers for a unique lighting event in Greater Copenhagen.

Main Organisers: City of Malmö, Gate 21 & Innovation Skåne

Registration opens in May.

16.00–16.10

End of sessions

16.10–17.00

Network & exhibition

19.00–21.30

Conference dinner

21.30

Guided tour of Metropolis: by Light

FRIDAY 14 SEPTEMBER

Please note that the Friday morning & afternoon seminars are identical, allowing you to choose between three parallel alternative activities: Seminars | Round table talks | Bus tours.

Morning parallel sessions 09.00–12.00

09.00–09.40

The lighting revolution in Greater Copenhagen

09.40–10.15

Public private innovation – A new way of making innovative lighting solutions for the citizens

09.00–10.15

Round table talks – topics hosted by industry leaders

10.15–10.45 Coffee break

10.45–11.30

Light & Art

11.30–12.00

New research in public lighting

10.45–12.00

Round table talks – topics hosted by industry leaders

Morning bus tour

08.30–12.00

#5. **Living lab tour – indoor lighting**

Biological lighting in psychiatry, elderly care, office and school

Lunch 12.00–13.00

Afternoon parallel sessions 13.30–16.30

13.30–14.10

The lighting revolution in Greater Copenhagen

14.10–14.45

Public private innovation – A new way of making innovative lighting solutions for the citizens

13.30–14.45

Round table talks – topics hosted by industry leaders

14.45–15.15 Coffee break

15.15–16.00

Light & Art

16.00–16.30

New research in public lighting

15.15–16.30

Round table talks – topics hosted by industry leaders

Afternoon bus tour

13.00–16.00

#6. **Living lab tour – indoor lighting**

Lighting for office, canteen & neonatal

SATURDAY 15 SEPTEMBER

09.30–14.30

#7. **Living lab: bus tour – indoor & outdoor lighting**

Lighting for office, canteen, neonatal and safety
